

## INTRODUCING

CUBIC, impressive and practical. Designed with clean lines and hand-crafted from quality materials to encourage a more collaborative workspace.

## CUBIC

Modular Storage / Partition System

### CUBIC OVERVIEW

CUBIC is extremely versatile and perfect for workspaces looking to create an innovative environment. The engineered modules allow for flexibility and creativity. Personalise with our range of configurations, colours and accessories.

Products are made to order, so your order gets the attention to detail it deserves. Most frequently specified options are detailed, please call for alternative or bespoke requests on **02920 859600**

### CUBIC BENEFITS

- A privacy solution, for creating zones in open plan spaces
- Helps to create a biophilic office design. Add plants to bring nature inside. Boosts mindfulness, well-being and productivity
- Perfect for lightweight, day-to-day items
- Customisable, modular and reconfigurable
- Helps create an uncluttered environment, encouraging organised, productive employees
- Streamline aesthetics, improving your overall workspace look

## SUSTAINABLE DESIGN

Ongoing investment in facilities, equipment and systems means we continuously improve business efficiency, whilst significantly enhancing the working environment for our people.

## BRINGING THE OUTDOORS IN

Working in partnership with the PLANTERIA GROUP we are able to offer a range of Artificial / Replica and Live plants.

### FIVE BENEFITS

1. Psychological benefits such as positive effects on reducing stress and promoting health and well-being.
2. Increase in productivity, creativity and happiness.
3. Adding plants and flowers makes for a more welcoming and inviting environment for employees, visitors and clients.
4. Plants can help to improve air quality and reduce allergens by cleansing the air.
5. Plants can help reduce sickness and absence at work.
