

EXTERNAL STEEL LOCKERS

INTRODUCING outdoor weather resistant steel lockers.

Designed to withstand rain, snow and ice, without compromising security.

EXTERNAL

Weather Resistant Lockers

EXTERNAL OVERVIEW

Our EXTERNAL weather-resistant steel lockers are the ideal solution for your outdoor spaces. We have designed this locker to withstand rain, snow, ice, and extreme temperatures without compromising security.

Products are made to order, so your order gets the attention to detail it deserves. Most frequently specified options are detailed, please call for alternative or bespoke requests on **02920 859600**

EXTERNAL BENEFITS

- Designed to withstand the elements
- Wet area Cam lock as standard
- Boosts security
- Optimises outdoor space
- Position banks of lockers against a wall
- Durable and strong: sides, back and front pillars are cut and folded from a single steel sheet, providing greater rigidity to the locker.
- Streamline aesthetics

Our Standards and Awards. Inspiring Confidence.

STANDARD SPECIFICATION

- Steel Carcass / Steel Doors
- Standard paint finishes
- Spot welded design
- Key lock, supplied with 2 keys
- Flush sides, fully welded carcass
