

DRYING RACKS & BOOT STANDS

DRYING RACKS OVERVIEW

Designed for use in fire stations and military workplaces where quick drying of clothing is required.

The specified design allows moisture to evaporate quickly from boots, clothing and gloves.

The design allows for heating elements to be safely fitted.

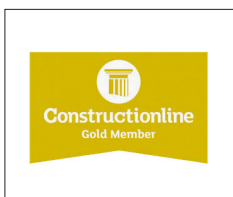

Products are made to order, so your order gets the attention to detail it deserves. Most frequently specified options are detailed, please call for alternative or bespoke requests on **02920 859600**
